Gemini/KB Systems has been partnered with **Sveba-Dahlen** since 1981. Gemini/KB Systems has delivered thousands of rack and deck ovens that operate in a variety of wholesale and retail bakeries. These ovens bake a wide range of products from pan breads and rolls to sweet goods, cakes and cookies. We also have many steamed bagel installations.

The **Sveba-Dahlen** rack oven provides for many years of reliable operation and quality baking results. Parts and service are readily available coast to coast.

Check Out Silver Hills Sprouted Bakery

Silver Hills Sprouted Bakery located in North Western Canada, opened in 1989 with a mission to empower people by providing healthy food choices. Silver Hills believes investing in your own health is the greatest gift you can give someone because when you're healthy, you'll have more to share. Silver Hills Sprouted Bakery is committed to making the best tasting, most nourishing, plant-powered products possible.

Gemini/KB Systems has been supplying bread production equipment and Rack Ovens to Silver Hills Sprouted Bakery in Western Canada since 2007. Silver Hills bakes a variety of sprouted and specialty gourmet pan breads in our I 62 rack ovens. Each Silver Hills **I 62 Rack Oven** produces up to 360 loaves per bake. We are thrilled that Silver Hills has become one of the most successful gourmet bread bakers in North America and we are proud to have them as a valued customer.

"We have been purchasing bread production equipment and rack ovens from Gemini for over 10 years. They have supported us throughout our growth. We appreciate being part of the Gemini family of friends and clients"
- Jeremy Brousson, Silver Hills Sprouted Bakery

I 62 Rack Oven

162 Rack Over w/ capacity to handle from 36 pans to 80 pans per bake cycle

Gemini/KB Systems and **Sveba Dahlen** offer the **I 62 Rack Oven** as a gas or oil fired oven capable of accommodating 4 single racks or 2 double racks per bake chamber. The computerized control panel is programmable for up to 35 recipes or it can be manually operated.

All of our rack ovens offer a 5 year heat exchanger guarantee and feature interior and exterior stainless steel construction.
